

Sample Schedule: MPH with Global Health Concentration Qualitative Analytic Sequence w/Fall Epi

KEY

MPH Non-credit Bearing Requirements

MPH Core Courses (5)

Global Health Concentration Course (5)

MPH Electives (2)

Total = 12 Course Credits (11 standard courses and 2 half credit courses)

YEAR 1

Fall (3 courses)

PHP1001 Foundations in Public Health

CITI Training

IRB Basics

Core Advisor Small Group Sessions

Attend PHP1070 lectures for exposure to Global Health faculty

-PHP2120 Introduction to Methods in Epidemiologic Research (1)

-PHP2506 Biostatistics for Public Health Research (1)

-PHP2710 Interdisciplinary Perspectives on Disability and Death in the Global South (1) *

Spring (3.5 courses)

Core Advisor Small Group Sessions

-PHP2071 Applied Public Health: Systems and Practice (1/2)

-PHP2060 Qualitative Methods in Health Research (1)

-PHP2730 Including the Excluded: Global Health Ethics (1)

-PHP2740 Learning Global Health by Doing Global Health (1) *

Summer

MPH Applied Public Health Experience (assignments due in PHP2072)

MPH qualitative thesis work based on Global Health Faculty approved proposal

YEAR 2

Fall (3.5 courses)

-PHP2072 Applied Public Health: Policy, Leadership and Communication (1/2)

-PHP2720 Implementing Public Health Programs and Interventions in the Global South (1)

-PHP2760 Critical Perspectives in Global Health (1) **

-MPH Elective PHP2061 Qualitative Data Analysis in Public Health Research (1) ***

Spring (2 courses)

-PHP2355 Designing and Evaluating Public Health Interventions (1)

-MPH Elective (1)

Submit Qualitative MPH Thesis

All Semesters

Attend Global Health conversations and presentations at SPH

Attend other Global Health lecture series (e.g., PSTC Colloquia, GHI lectures, CFAR, etc.)

*Course must be taken in the first year (PHP2710 in the fall and PHP2740 in the spring).

**Course is for second year GH concentrators only.

***Students following the qualitative analytic course sequence must take PHP2061 Qualitative Data Analysis in Public Health Research as one of the two MPH electives.
