

Sample Schedule: MPH with Health Behavior Concentration Qualitative Analytic Sequence w/Fall Epi

KEY

MPH Non-credit Bearing Requirements

MPH Core Courses (5)

Health Behavior Concentration Course (5)

MPH Electives (2)

Total = 12 Course Credits (11 standard courses and 2 half credit courses)

YEAR 1

Fall (3 courses)

PHP1001 Foundations in Public Health

CITI Training

IRB Basics

Core Advisor Small Group Sessions

-PHP2120 Introduction to Methods in Epidemiologic Research (1)

-PHP2506 Biostatistics for Public Health Research (1)

-PHP2340 Theories of Behavioral and Social Sciences in Public Health (1)

Spring (3.5 courses)

Core Advisor Small Group Sessions

-PHP2071 Applied Public Health: Systems and Practice (1/2)

-PHP2060 Qualitative Methods in Health Research (1)

-PHP2355 Designing and Evaluating Public Health Interventions (1) OR MPH Elective (1) OR Select from Health Behavior Concentration Content-Focused OR Social Determinants Courses (1)*

-PHP2380 Health Communication (1)

Summer

MPH Applied Public Health Experience (assignments due in PHP2072)

MPH thesis work

YEAR 2

Fall (3.5 courses)

-PHP2072 Applied Public Health: Policy, Leadership and Communication (1/2)

-PHP2355 Designing and Evaluating Public Health Interventions (1) OR MPH Elective (1)

-Select from Health Behavior Concentration Content-Focused OR Social Determinants Courses (1)

-MPH Elective PHP2061 Qualitative Data Analysis in Public Health Research (1) **

Spring (2 courses)

-PHP2355 Designing and Evaluating Public Health Interventions (1) OR MPH Elective (1)

-Select from Health Behavior Concentration Content-Focused OR Social Determinants Courses (1)

Submit MPH Thesis

*The Health Behavior Concentration requires **two** Health Behavior Content-Focused courses and **one** Social Determinants of Health and Diversity course.

**Students taking the qualitative analytic sequence must take PHP2061 Qualitative Analysis in Public Health Research as one of the two MPH electives.
